-Mr. Adam Kinder shared that EH is serving free sack lunches to children 18 years of age & under in the community. On April 6, around 950 lunches were provided to about 175 families. The following Monday, April 13, there were 1250 lunches that were provided to 250 families. We are utilizing staff volunteers to help prep the lunches as well as hand them out to the families coming by for pick-up. Mr. Pfaff recognized Tracy Wilson, Food Services Director, for what a phenomenal job she has done in orchestrating this new process.

-Mr. Barton & Mrs. Pyle provided information on Teacher Professional Development at this time and how it is currently driven by the usage of eLearning. They affirmed what a great job all of our teachers are doing at learning & implementing new technology and how to use that to engage their students and keep them participating in classes. Kindergarten now has Chromebooks as well, so teachers are working hard to instruct the students on how to use them for class and are getting better and better each day.

-Ms. Trisha Armstrong, Director of Technology, shared how the technology department has been working to support the teachers by providing some training & resources. There is a tech support hotline from 8am-8pm, Monday-Friday. There is also a system in place for repairing & exchanging broken Chromebooks, and mifi's

have been ordered to help families who do not have internet access. In the meantime, a wifi bus is currently sitting behind the school to provide internet for those without.

-Mr. Kinder provided a positive outlook for our current situation in that several of the summer projects and deep cleaning plans are getting an early start. Some of these include: deep cleaning of bleachers & classrooms, cafeteria work, HS guidance area renovation, LED light installation, ES roof, HS library.

-The Hancock County Health Department has approved the blood drive scheduled for May 6 at the Elementary School since medical professionals will be conducting it and due to the need for continual donations of blood.

-Mr. Pfaff spoke with the New Castle Career Center director regarding those particular classes. Any class that requires live, practical assessments will at this time simply be postponed until the Governor releases students.

-Mr. Barton also assured the Board that our HS dual-credit classes and AP classes will still be conducted so that students will receive the proper credit. Teachers are working with the college professors of particular classes to complete these.

9 LAST MINUTE ITEM: Adjusted 2019-20 School Calendar due to COVID-19

Minutes:

-Mr. Pfaff asked the Board to vote on a revised 2019-20 calendar that reflects the eLearning student days and waived days in order to comply with the Indiana DOE's request that each school submit such a calendar. The IDOE has shortened the required number of student days from 180 to 160 days for the 2019-20 school year. (See attachment)
