

CSC OF EASTERN HANCOCK COUNTY

SCHOOL BOARD MEETING

EASTERN HANCOCK ADMINISTRATION BUILDING - 10370 E. 250 N., Charlottesville, IN 46117 (317-936-5444)

Monday, September 11, 2017

7:00pm - 9:00pm

1 Public Notice

This meeting is a meeting of the School Board held in public for the purpose of conducting the School Corporation's business and is not to be considered a public community meeting. The Board will permit fair and orderly public expression as indicated by the Agenda Item *Public Comment*. Procedures to govern such participation are available upon request. The Board's meeting site is fully accessible to all persons. Any person requiring further accommodation should contact the Superintendent with the School Corporation's Administrative Office at 317-936-5444.

2 Call To Order

Minutes

Thomas Younts, Board President, called the meeting to order at 7:00pm. Present: Scott Petry, Michael Lewis, Thomas Younts

3 Pledge of Allegiance

4 Success Stories

Minutes

Amanda Pyle, Elementary Principal, shared about the Indiana Promise 529 initiative that we entered into last year. We had been able to raise the original \$25,000 needed to start the program and fund it for a 5 year period, but still needed someone to financially support Phase 3: matching the \$25 each student raised on their own. The White Family Foundation has agreed to fully fund Phase 3 for the next 5 years, which is an almost \$11,000 donation. We are very thankful to the White Family for such support of Eastern Hancock.

Dave Pfaff, MS/HS Principal, introduced Aaron Amos, teacher for the new computer programming class initiated this year. Mr. Amos also teaches Chemistry & Physics. Mr. Amos shared much about this new class and its immediate success with students. It is a project-based learning class where students are given a task/problem with a deadline in which to solve it in any way necessary. It has allowed lower level students an opportunity to learn and find success while also challenging more advanced students to stretch their abilities in new ways. Mr. Younts requested that Mr. Amos have some of his students return to a Board Meeting at the end of the school year to share more from their perspective.
