Tonight he introduced three students who have had the opportunity to interview for positions and have accepted positions through with some of these businesses and asked them to share a little about the process and what their upcoming plans are. Mr. Brock moved and Mrs. Settergren seconded a motion to approve student participation in the IU Addictive Behavior Survey. Motion carried 4-0.

## Minutes:

-Mr Jackson mentioned that at the last meeting he had asked the Board to try to come up with some metric that could clearly define how and when to implement mask wearing or no mask wearing, taking into consideration the guidelines imposed on schools by the state and local authorities, including the new changes. He stated that he was not able to come up with such a metric and asked if other Board members had been more successful.

-Mr. Brock stated that although he does not personally like masks, he feels that with the increase in cases it is still in the best interest of students to continue with masks at this time.

-Mrs. Stunda commented that with so many things still changing regularly with COVID that finding a metric to govern masking is nearly impossible.
